

Employee Benefits Policy

Company: ExampleTech Solutions Pvt. Ltd.

Document type: Dummy training policy

Version: 1.0

Effective date: 1 January 2026

1. Purpose

This policy summarizes standard benefits available to eligible employees of ExampleTech Solutions Pvt. Ltd.

2. Health Insurance

Eligible full-time employees receive company-sponsored health insurance coverage. Coverage limits and eligible dependents are governed by the insurer's plan documents.

3. Retirement Contribution

The company provides retirement-related contributions where required by applicable law and according to the employee's eligibility.

4. Learning and Development

Employees may request reimbursement for approved job-related courses and certifications up to INR 20,000 per calendar year, subject to the learning budget and manager approval.

5. Internet Allowance

Employees approved for regular remote work may receive an internet allowance of INR 1,000 per month, subject to the company's reimbursement process.

6. Eligibility

Benefit eligibility may vary by employment type, length of service, and applicable plan terms.

7. Changes to Benefits

The company may modify benefit plans with appropriate notice. Where an insurer or statutory rule controls a benefit, the applicable plan or law takes precedence.
